REQUEST FOR PROPOSALS

About N4C

The National Coalition of Campus Children's Centers is a non-profit educational membership organization supporting excellence in programs for young children in communities of higher learning by providing opportunities for leadership, professional development, research, networking and advocacy.

About the Conference

N4C's Annual Conference & Professional Institute is a premier conference attracting attendees from colleges and universities—directors, faculty, and teachers—interested in sharing innovative practices, cutting-edge research and effective strategies in the care and early education of young children. The two and one-half day conference includes a keynote speaker, workshops and networking opportunities to enable attendees to expand and enhance their knowledge of early childhood and provides an intimate exhibitor opportunity.

Request for Proposals

The Conference Committee invites you to submit a presentation proposal for the 2018 Annual Conference. Proposals should be based on experience, research and theory applicable to campus children's programs.

Submission of Proposals as a PDF

The Proposal form can be downloaded at www.campuschildren.org. Proposals must be submitted on the writable PDF form provided. Documents should not be scanned or converted to PDFs. Incomplete proposals will not be considered.

Proposals are selected through a blind review process by a panel of N4C members. Proposals must be received by midnight on September 17, 2017. Submitters will be notified of the status of their proposal via email by October 9, 2017. N4C reserves the right to modify titles and proposal descriptions to meet publications formatting.

Presenter Obligations

All presenters must register for the conference no later than October 30, 2017. Lead presenters receive a \$50 discount on the full conference registration fee.

Session Formats

Workshop sessions will be 45 minutes.

Conference Attendees

The conference attracts a range of education professionals, including research experts, administrators, teachers, university faculty, and child care professionals. Attendees join together to share ideas, experiences, views, and their passion for quality childhood education. **Workshop content should be geared toward an advanced audience.**
